

**MAYFIELD  
MANAGEMENT  
COMPANY**

Since 1972

Mayfield believes in treating its commercial tenants like guests. We strive to have the same hospitality as a good hotel. By being hospitable, we create a community atmosphere that our commercial tenants do not want to leave. We renovate and improve the properties that we manage, paying unusual attention to detail, to create an environment where people would be thrilled to work.

*These are the qualities  
that have created our  
"signature" management.*

## THE MAYFIELD EXPERIENCE:

Mayfield Management Company has maintained its stellar reputation for immaculately clean, high quality office suites at competitive rents. Mayfield is "hands on" and takes pride in the way its buildings look. It is a high priority at Mayfield to make certain that our properties are beautifully landscaped and well-maintained, and to respond to the maintenance needs of our commercial tenants within 24 hours. Our office suites and retail stores are custom built to suit each tenant's specific needs.
