To Whom It May Concern:

I have known John Klimp and his organizations, Mayfield Investment Company and Mayfield Management Company, for over 8 years.

During that time, I have had the pleasure of completing several first mortgage financing transactions. These transactions have been handled very professionally and have been a pleasure in every way. I have always found John and his very capable staff to be extremely credible, trustworthy and timely in their decisions and actions.

I highly recommend John Klimp and his companies, Mayfield Investment Company and Mayfield Management Company.

Sincerely,
